Bldg. 7058, 2nd Floor, Room 205
Seattle, WA 98118

Registration Deadline: February 7, 2014

The Transition Resource Fair Team facilitates an environment where community stakeholders can directly support participants in their successful reintegration in to society through face to face contact. Agencies can provide participants the opportunity to engage in services immediately. The setting fosters strong and effective relationships between the various community partners as they develop a better understanding of the collaborative roles in participant success.

If you would like to utilize electronic or other internet media in your presentation please provide your own computer cords and flash drives.
